Head fully equipped with shower, sink, mirrors, storage lockers and vacuum-flush WC

## SWAN 77-010 'Mascalzone Latino'

### Ventilation System

Natural ventilation in all cabins  
Exhaust ventilators in heads and galley  
Condaria reverse cycle air conditioning central unit installed in engine room including separate dedicated shore power inlet  
Fan coils

- Owner's Cabin
- Aft starboard guest cabin
- Aft Port guest cabin
- Saloon port

### Drainage System

- Saloon starboard
- Galley
  - Port forward guest cabin
  - Forward cabin

Galley sinks drain through sea cock  
Washbasins and showers drain to sump tanks (approx. 70L each) Sump tanks emptied by electric pumps One electric submersible bilge pump  
2x manual Whale Titan bilge pumps  
Manual pump for chain/anchor locker

### Refrigeration system

21x Iceberg 220v refrigeration compressors for fridges and freezers with holdover plates, sea water cooled 1x Iceberg engine driven refrigeration compressor

## ELECTRICAL SYSTEM

24v DC system with insulated return. Wires are dimensioned to minimise voltage drop 230v AC system

### DC System

General service battery system 24V 800Ah  
Separate radio battery bank system under the starboard sofa Engine and generator starting batteries 24v 135Ah each Service batteries stored in ventilated GRP battery boxes

### AC System

Fed by either diesel generator, shore power or inverter  
230v generator Westerbeke 20 BED 514, 20 kVA, 230V 50 Hz, replaced in 2016, including sound shield

### Inverters

Main inverter - Mass 24/5000 VA230V  
Electronics and computer inverter - Mass 24/1500

## SWAN 77-010 'Mascalzone Latino'

### **Battery Charging**

210 Amp alternator on engine for service battery 2x 75 A service battery chargers  
1x 50A Radio battery charger  
Amp alternator on main engine for engine battery

### **ELECTRONIC SYSTEMS**

#### **Navigation Instruments**

B&G Zeus - cartographic Navionics 2018  
4x FFD (Deck, crew cabin, owners cabin)  
Analogue depth gauge in cockpit  
Analogue Wind speed gauge in cockpit (360°)  
Analogue magnified wind display  
2x 20/20 displays at main companionway  
B&G GPS on pedestal -2018  
B&G GPS at Nav station - 2018  
B&G radar at Nav Station -2018  
Additional Furuno radar display on starboard side of aft cockpit

#### **Computer Systems**

Neovo AG 18" touch screen with windows 10 xp

#### **Communications Systems**

2x satellite phone Cobgam (Inmarsat) – 2018  
3 VHF B&G H90 + 1 VHF B&G V50  
Standard C for Inmarsat communication  
AIS Receiver  
Sea Marshall Crew Finder MDF 202 (man overboard SAR), plus 3 set for portable  
Printer Samsung  
Wi-Fi with Locomarine yacht route

#### **Security Systems**

2x security cameras on radar post with screens in galley and crew cabin

#### **Entertainment Systems**

Tv Samsung 32"

Fusion Av 750 (DVD, TV, Music) x 4 speaker on the deck

## SWAN 77-010 'Mascalzone Latino'

### MAST & RIGGING

Aluminum three spreader mast from Offshore spars Aluminum conventional boom  
Navtec rod rigging  
Aramid runners and check stays  
4x folding mast steps Hydraulic furling genoa Electric furling staysail Gennaker bow sprit

### Rigging Hydraulics

Four function manual hydraulic system from Navtec operating:

- Baby stay
- Backstay
- Outhaul
- Boom vang

### EQUIPMENT

#### General Equipment

Tender Novamarine 4,20mt (engine Honda 20hp)  
Spare 8hp 4-stroke engine  
Center cockpit table  
Lewmar anchor chain 125mt in inox (replaced in 2016)  
Mousing lines plus mt. 15 chain  
Admiralty Spare anchor  
Dive bottle compressor Bauer mounted in lazarette

#### Spare Parts for:

Sireg water maker Condaria Air conditioning SeaLand heads Westerbeke generator Perkins engine Whale Gulper pumps Ramacciotti water pumps

#### Canvas work

2x covers for saloon tables  
Cover for cockpit table  
Sprayhood for main companionway Large aft cockpit sprayhood Cockpit  
Cushions Sunbathing cushions for aft deck Cover for steering wheel and pedestal

#### Safety Equipment

2x inflatable six-person life rafts  
1x inflatable four-person life raft  
2x M.O.M. (Man overboard modules)

## SWAN 77-010 'Mascalzone Latino'

### REFIT 2018/2019:

NEW ENGINE Perkins 235hp with 1420h  
 NEW GENERATOR westerbeke 23,5 kw with 1400h  
 NEW BOOM – carbon park avenue  
 NEW PLEXIGLAS PORTHOLE  
 NEW DECK TEAK

### SAILS:
